UNIVERSITY OF MARYLAND

Founded	1807
Location	College Park, Maryland
President	Dr. John Toll
Chancellor	Dr. Robert L. Gluckstern
Athletic Director	Carl James
Conference	Atlantic Coast
Nicknames	Terrapins, Terps
Colors	Red and White, Black and Gold
Mascot	Terrapin
Head Track Coach	Frank Costello
Head Cross Country Coach	Stan Pitts
Assistant Track Coach	Joe David Dick Dull Bill Goodman Maurice Peoples Buddy Williamson
Trainer	John J. Bush
Track Office Location	Byrd Stadium
Track Mailing Address	Athletic Department, Box 295 University of Maryland College Park, Maryland 20740

COVER: School record setting 4 x 100 Relay Team - Winner of Champion of America in 1978 Penn Relays. Front Row: Andre Lancaster, Bob Calhoun. Back Row: Greg "Fly" Robertson, Renaldo "Skeets" Nehemiah.

UNIVERSITY OF MARYLAND

The University of Maryland is a land-grant institution of higher learning, providing opportunities in teaching, research and service. The College Park Campus, located in Prince George's County, occupies over 1300 acres, and is a blend of diverse cultural, intellectual and political interests. Within a short distance of the campus are the major metropolises of Washington D.C. and Baltimore, the beauty of the Chesapeake Bay and the Blue Ridge Mountains, as well as the quaintness of historical towns as Annapolis. A campus which houses 200 major buildings, framed in Georgian architecture, the University has grown from its agricultural origins to a program providing bachelor degrees in over 120 fields, as well as over eighty areas at the advanced degree level.

Under the guidance of retired Athletic Director, James H. Kehoe, a former outstanding trackman at Maryland and Head Track Coach for over two decades, Maryland athletics, both men's and women's programs, have expanded in recent years to become one of the premier athletic establishments in the nation. This successful overall program has recently been transferred to the very capable hands of Carl James, former Athletic Director at Duke University.

FRANK COSTELLO

Head Track Coach

After having served six years as an assistant track coach at Maryland, Frank was appointed head coach in 1974, and the track program at Maryland has accelerated towards excellence ever since.

A former collegian at Maryland, Frank's accomplishments as a track man are almost impossible to list: A.C.C. Indoor and Outdoor Champion 1964, '65, '66 and '68; IC4A Champ indoor and outdoor 1965, 1966; NCAA Champ indoor and outdoor 1965; Penn Relay Champ 1965, '66; All American in track 1965, '66 '68. Costello was out the 1967 indoor and outdoor season recovering from a knee operation. He returned to competition again in '68 to set a new ACC outdoor high jump record. In 1966 Costello set a new Maryland high jump record at 7'1".

A perfectionist, Frank's teams since 1974 have won eight A.C.C. Championships, three IC4A Championships, three IC4A second places and his dual meet teams have been ranked among the collegiate elite every year. Last year's teams placed sixth and ninth respectively indoors and outdoors in the NCAA Championships. In 1975 Costello was named District III NCAA Coach of the Year. That same year Frank also served as the Head Coach of the U.S. National Indoor Team that beat the Russians in Richmond, Virginia. A noted publisher of training and technique articles in national sports publications, Frank has become a greatly demanded clinical speaker, achieving wide acclaim for his theories of improving speed and conditioning. He presently is a consultant with the Green Bay Packers Football Team.

Married to the former Nancy Sellner, the Costello's reside in Adelphi, Maryland. They are the parents of one daughter, Melissa.

STAN PITTS

Stan begins his sixth season as an assistant track coach and his fourth season as the Head Cross Country Coach at Maryland. His primary responsibility with the men's program is the middle distance and distance events. In addition, after a year as the assistant women's coach, Stan has assumed the Head Coach responsibility for the Women's Track and Cross Country programs this season.

A graduate of Maryland in 1961, where he was an outstanding sprinter and relay racer, Stan began his coaching career immediately after graduation at the high school level in Prince George's County, where he coached Duval, Crossland and Parkdale High Schools to a 69-3 record and a State Championship for Crossland in 1966.

Winner of the 1976 ACC Championship in Cross Country, Stan has coached several ACC and IC4A individual champions in the middle distance events. In addition, Stan's mile relay team in 1976 was awarded All American honors. With a full contingent of seasoned veterans returning, as well as the matriculation of several outstanding transfer students and freshmen, 1978 promises the return of Maryland distance running to the top of the ACC Track scene.

An employee of the Prince George's County school system, Stan is the Assistant Supervisor of Driver Education for the county. Married to the former Janet Preusse, the Pitts reside with their four children, Vicky, Arlene, Bruce and Eric in nearby Fairfield, Pennsylvania.

JOE DAVID

A product of Union High School in Union, New Jersey, Joe attended the University of Maryland, where he won several ACC, IC4A and Penn Relay Championships. Joe was the school record holder in the high jump at 7'1½" in 1970, until his own pupil, Brian Melly, leaped 7'2" in 1977. Uuder the guidance of Joe, Brian went on to clear 7'3" and placed second in the NCAA Outdoor Championships in 1978. Last year Joe had three high jumpers clear 7'0" or better and he has established himself as one of the outstanding high jump coaches in the nation.

Joe is an elementary school teacher at Mater Dei School in Bethesda, and he and his wife, Britt, reside in New Carrollton, Maryland.

DICK DULL

Beginning his third year as an assistant coach, Dick's primary coaching responsibility is the javelin. A former trackman for Jim Kehoe, Dick ranks sixth on the Top Ten List with a throw of 247 feet, and was an ACC, twice ACC-SEC, Penn Relay and Florida Relay Champion. In addition he was the 1965 National Junior AAU Champion.

A graduate of the University of Maryland School of Law, Dick was awarded a Doctor of Laws degree in 1971, and is a member of the Maryland bar. Just recently associated with a law practice in Upper Marlboro, Dick's fulltime position is the Assistant to the Director of Athletics for Business Affairs. Dick is unmarried and resides in Greenbelt, Maryland.

BILL GOODMAN

Having been sent to the University from York, Pennsylvania, where Bill excelled as a schoolboy, Bill became one of Maryland's greatest long jumpers, leaping 25'4" in 1976. Also an excellent triple jumper, Bill bounded to a 51'7" effort the same year, and is one of the Terps' greatest double jumpers as well.

Last year, in just his first full year of responsibility as the jump coach, Bill coached Dennis Ivory to a 26' and 53'10"and Bob Calhoun to several jumps over 26' with a personal best of 26'5" and All American honors in the NCAA. Bill also is employed as a sales representative for the Dolphin Company which specializes in elite sportswear. Bill resides as a bachelor in College Park.

MAURICE PEOPLES

Maryland is proud to welcome as its newest addition to the coaching staff, Maurice Peoples, reknown as one of the world's finest 400 runners.

A graduate of Arizona State, Maurice was the 1973 NCAA Champion with a time of 45.0 and in 1974 won the National AAU 400 Championship. An excellent relay racer, Maurice is a member of the world record mile relay team which clocked 3:02.4 in 1975. Maurice has a personal best of 44.72 for the 400 and has run an official split of 43.4.

A member of the D. C. International Track Club, Maurice has trained with the university runners throughout the years and will coach the 200, 400 and 1600 meter relay events. Presently training for the 1980 Olympics, Maurice is single and lives in Adelphi, Maryland.

BUDDY WILLIAMSON

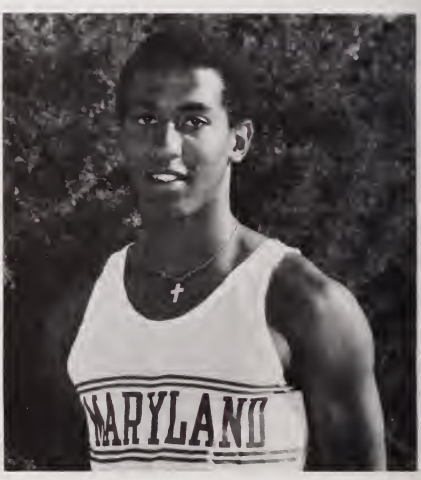
Buddy Williamson enters his third year as the Pole Vault Coach for the Terps. As a student at Maryland, Buddy was a two time All American and an NCAA Indoor Champion in 1970. In 1973 he was vaulting for I.T.A. Pro Track and was the Pro Champ in 1973 by beating world renown Pole Vaulters, Bob Seagren and Steve Smith. Buddy will have a good group of young vaulters to work with this year.

Buddy is a noted authority on the Pole Vault throughout the country, and a very popular clinician working at many clinics and camps. He is the owner and president of V.I.P. Formal Wear in Hyattsville, Maryland. Buddy is married and he and his wife, Maurine, live in University Park, Maryland.

1978 HIGHLIGHTS

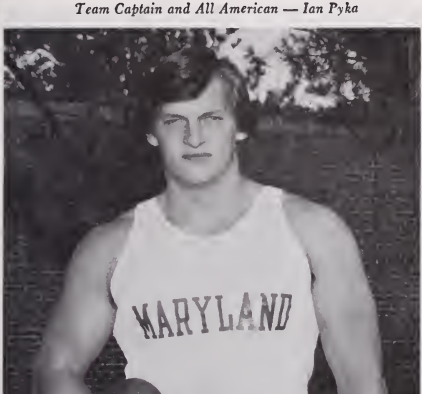
The 1978 Indoor Track Season commenced for the Terps in January with a renewed dedication to dual meet supremacy, A.C.C. domination and the recent IC4A excellence which the Maryland track team has enjoyed. However, for the first time, both Maryland athletes as well as their coaches committed themselves to accelerating the program one step further—national respectability on a team as well as individual performance level. The merging of a bevy of accomplished seasoned performers, as well as the acquisition of several phenomenal recruits, caused the prognosis for the 1978 season to be bright.

The initial weekend of activity witnessed back to back evening efforts at the CYO Invitational and the 1978 version of Maryland's traditional battle with the United States Naval Academy. At the CYO, in the high jump, Brian Melly jumped a personal indoor best of 7'2" in an event which saw a world record set by Greg Joy. Freshman hurdler Renaldo Nehemiah, skimmed the 60 high hurdles in 7.14 for a third place finish. Teammate Greg "Fly" Robertson ran 7.22 and indoor track fans witnessed the inception of a team hurdling effort indoors which would climax at the NCAA Indoor Championships in victory and controversy. Transfer student, Bob Calhoun, promising perfection in both the sprints as well as the



60 Yard High Hurdle World Record Holder
Renaldo "Skeets" Nehemiah

Team Captain and All American — Ian Pyka



long jump, sprinted 60 yards in 6.18 for a very impressive early season clocking.

The following evening, however, the Terrapins, ill prepared as a result of a holiday vacation, and involved with an opponent boasting the desire to render an upset, escaped with a narrow victory, 70-66. Highlighting the meet for the Terrapins was the dual victories of "Skeets" Nehemiah running both the sprint and hurdle races in 6.0 and 7.0, respectively. The Mile Relay team ran a respectable 3:16.9 to win and Dave Cornwell clocked 9:00.5 in the Two Mile Run, easily outdistancing the Midshipman in a crucial race. Ian Pyka, IC4A Indoor and Outdoor Champion the previous year, opened his indoor campaign with 58′4¾″ in the shot put, sufficient for victory in that event.

The following weekend, despite one of the seasons worst blizzards, the Terps survived the elements and found themselves in Philadelphia for the Philadelphia Track Classic. The evening belonged to Renaldo Nehemiah, as he astounded an early season track audience with 7.13 in the high hurdles, tying the indoor electronic world record. The performance was sufficient to entitle him to the Meet's Outstanding Competitor Award.

A week later, in Madison Square Garden, against the finest hurdle field of the season at the Millrose Games, "Skeets" ran a phenomenal 7.07, breaking the world record for the event. "Skeets" in this triumph served notice to all the track world that his previous successes

All American High Jumper — Brian Melly

and notoriety were not "just a high school thing". Greg "Fly" Robertson was fourth in the event with a 7.33 effort. Maryland gained its second Millrose Championship when Ian Pyka threw 58'9" winning his second Wanamaker watch.

Returning to New York the next weekend, and before a national TV audience, Nehemiah and Robertson ran identical 7.2's to decimate the 55 Meter Hurdles event with a 1-2 finish. Joining the remainder of the team the following evening at the Princeton Relays, "Skeets" and "Fly", teamed with Don Berich and football star. David Dixon, to easily win the Shuttle Hurdle Relay event in 28.6. Bob Calhoun leaped a school record in the long jump at 26'1" and teammate Dennis Ivory posted an exceptional early season mark in the triple jump with 51'10". Ian Pyka improved his efforts in the shot put with a 59'5¼" throw, and Dave Cornwell again turned in a fine distance effort with a two mile clocking of 8:53.7.

A contingent of five athletes were invited to the Mason-Dixon Games in Louisville, Kentucky a week later, and Ian Pyka, improving every weekend threw 60'6¾" to establish a new University record in his specialty. Bob Calhoun, indicating that his effort the week before was no fluke, again leaped 26'1½", setting a new Meet record, a record previously held by Ralph Boston. Continuing his assault on world records, Renaldo Nehemiah ran 7.5 (hand timing) in the 60 Meter High Hurdles. The elec-

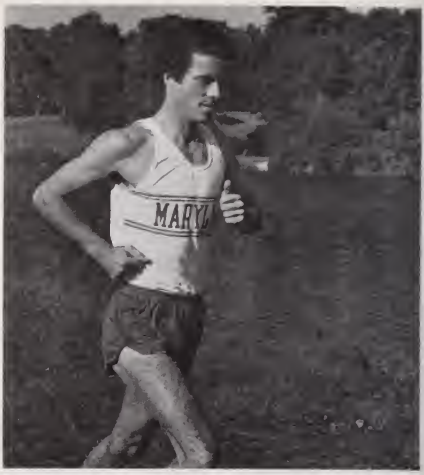
tronic time had malfunctioned, however, and the freshman was deprived of an official world record at that distance.

In an effort to establish qualifying marks for the IC4A Championships in individual events, the Terps spent the following two weekends at the University of Delaware in invitational meets. The first weekend saw sophomore Mark Fields run 1:09.7 for a new school record in the 600, indicating the potential for possible IC4A honors in that event. The following weekend, Fields duplicated his effort again by clocking a respectable 1:10.0.

On February 25th, the Terps defended their 22 consecutive A.C.C. Championship string in Raleigh, North Carolina by scoring 69 points, outdistancing all other opponents. Individual championships were scored by Renaldo Nehemiah in the hurdles, Bob Calhoun in the long jump, Ian Pyka in the shot put with a 60′4″ effort, and Dennis Ivory in the triple jump. The hurdlers proved supreme again as Nehemiah, Robertson and Dixon, respectively, gave the Terps a 1-2-3 finish. Renaldo, on the basis of his hurdling effort and a 6.35 for the fourth in the 60, was awarded the Outstanding Performer honor.

Finally, the IC4A Championships again found arch rivals Villanova and Maryland the only teams with any chance for team victory. The Terps took an early lead as usual on the basis of Bob Calhoun's 25′1¾″ victory in the long jump. Ian Pyka and Renaldo Nehemiah followed with individual championships in the shot and hur-

All American Long Jumper — Bob Calhoun



Tom Fields Watch Award — Dave Cornwell

dles, respectively, and Calhoun returned to win his second championship in the 60, with a 6.27 effort. Brian Melly was third in the high jump with a 7'0" effort, while the "Horse", Mark Fields, placed third in the 600 in 1:10.0. Dave Cornwell placed a respectable fourth in the Two Mile and Dennis Ivory was fifth in the triple jump. Their efforts were not sufficient however. When the Terps were finished, Villanova began, accumulating team championships in two relays, and individual victories in the Triple Jump and in four middle distance events. Maryland again was relegated to a second place finish.

The Indoor NCAA Championships in Detroit gave the Terps the opportunity to witness the success of their newest team effort—national respectability. Renaldo Nehemiah and Greg Robertson again dominated the hurdles, winning all their trial heats. In the final, Robertson, away fast, led the entire race, but a brilliant lean at the tape by Renaldo caused the phototimer to be consulted. Upon examination of the photo,"Skeets" was awarded the victory, with "Fly" second. However, an unexplained reexamination of the film after the victory ceremony, and after the Terrapin team had left the arena, gave James Walker of Auburn second place. Bob Calhoun completed the team scoring with a fourth place finish in the long jump, and Maryland as a team placed sixth in the team standings, its best finish since 1965 when sophomore high jumper, and now Coach Frank Costello, won the national championship.

After one of the finest indoor track campaigns in Maryland history, outdoor season began with the traditional journey to the Florida Relays. Boasting outstanding depth in the hurdles and sprints, it was not a surprise when the Maryland 440 Relay Quartet of Greg Robertson, Andre Lancaster, Bob Calhoun and Renaldo Nehemiah won the event, beating Auburn with Willie Smith and Harvey Glance in a school record time of 39.9. Another school record was set by Dennis Ivory in the Triple Jump, as the junior leaped 53′1¼″ to win the event. Second place efforts were scored by Brian Melly in the High Jump at 7′2″ and Ian Pyka who again threw 60′3½″. In the finals of the 110 High Hurdles, spectators eager to watch the phenomenal freshman, Renaldo Nehemiah, saw a Maryland clad hurdler score the victory, but it was Greg Robertson who was victorious, winning the event in 13.7. Bob Calhoun produced the other excellent performance of the Terrapin contingent, with a 25′9½″ effort in the Long Jump. Meanwhile, in Dover, Delaware, thwarted by the cold and windy March weather, the remainder of the Terrapin team won two relays at the Delaware State Relays. The quarter of Tony Uzdavines, Mike Adderly, Chris Turner and Dave Ungrady captured the Two Mile Relay as their sprint counterparts, Mark Fields, Joe Morris, Manny Rosenberg and Kent Burno won the Sprint Medley Relay.

Relays dominating the early weeks, the Terps found themselves in Charlottesville, Virginia at the Virginia Re-

All American Hurdler Greg "Fly" Robertson

Triple Jump School Record Holder — Dennis Ivory

lays the next weekend. Brian Melly proved to be the most outstanding of all the Terps as he won the High Jump at 7'3" for a new school record. The 440 Relay and Shuttle Hurdle Relay Teams captured first places, and individual championships were scored by Tim Ulam in the Javelin, and Dennis Ivory in both the Long and Triple Jumps with excellent 24'11" and 53'0" marks, respectively. Ian Pyka threw a personal best for the season in the Shot Put with a put of 61'3½" and freshman teammate Dan Lamp won the Pole Vault at 15'. As a result of these efforts, Maryland won the team title, followed by Penn State, Virginia and Pitt.

Eager to avenge their poor indoor performances against Navy, the outdoor meet followed the schedule of recent years, with the Terps rolling to an overwhelming victory over the Midshipmen, 104⅔ to 58⅓.

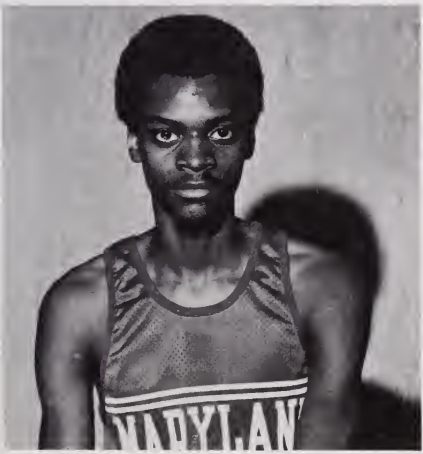
The Terrapin Long Jumpers, with Calhoun, Ivory and Bo Kent, swept the event, and coupled with Ivory, Allen Ball and Kent Guthrie, swept the Triple Jump as well. Kent Burno, a recent transfer from Hagerstown Junior College, won both the 1500 and 800 meter runs with 3:54.2 and 1:53.8 efforts, respectively. Renaldo Nehemiah and Greg "Fly" Robertson won the hurdle events, with Renaldo also winning the 100 meters. A strong head wind caused all times to be slow, but Renaldo's 13.5 hurdles effort proved to be the most spectacular of all running performances.

A week later in sunny Knoxville, Tennessee for the Dogwood Relays, roommates Bob Calhoun and Renaldo Nehemiah again won their specialties, the Long Jump and High Hurdles. Renaldo ran a personal handtimed best with a 13.4, and Calhoun again jumped over 25′7″ in the horizontal jump.

For the first time in recent memory, the A.C.C. Championships were held in Clemson, South Carolina, and Maryland, again, in what has become a springtime ritual, captured its 23rd consecutive outdoor championship scoring a total of 182½ points. Individual championships were won by Ian Pyka, Greg Robertson, in another defeat of Renaldo Nehemiah in the High Hurdles, Brian Melly, Dennis Ivory, Mike Remus in the Pole Vault, and again Greg "Fly" Robertson in the Intermediate Hurdles.

The last weekend in April is traditionally Penn Relays time, and with their recently acquired prowess in the sprints and hurdles, Coaches Frank Costello and Stan Pitts were determined to be competitive in the Championship of America Relays.

With Renaldo Nehemiah and Greg Robertson running three relays as well as the High Hurdles, the Terps achieved mixed results in the annual relay carnival. Teamed with David Dixon and Don Berich in the Shuttle Hurdle Relay, the quartet annihilated all competition, running 55.8 in a new Penn Relay record and just one-tenth off the world record. However, again victim to an official's judgement call, the Terps, greatly to the aston-



600 School Record Holder — Mark Fields

ishment of all in attendance, were disqualified for an alleged false start by Skeets Nehemiah.

With revenge on their minds in the 440 Relay, Bob Calhoun, Andre Lancaster, Greg Robertson and "Skeets" Nehemiah ran 39.89 for the Championship of America Trophy. Only a photo finish of one-tenth of a second gave Tennessee first place in the 880 Relay which cost the Terps their second title. Robertson, Lancaster, Nehemiah and Manny Rosenberg ran 1:23.2 for a new school record, losing to the Tennessee quartet by inches.

In the individual events, Ian Pyka won his second consecutive Penn Relay watch in the Shot Put, throwing 60'2". Hurdlers Renaldo Nehemiah and Greg Robertson went one-two in the 110 Meter Hurdles with "Skeets" setting a Meet Record at 13.52. Despite the close decisions which seemed to always go contrary to the Terps runners, the performance of Maryland was obvious to the attending crowd, and this effort again gave credence to Maryland's desire to become a national power in track and field.

Having two months to entertain the memory of their defeat in the Indoor IC4A, the Terps traveled to Franklin Field for the IC4A Outdoor Championships eager to avenge their previous loss to Villanova. Nevertheless, the Maryland squad was a decided underdog to the best Villanova team in history. Maryland, as is the customary practice took an early lead, thanks to the greatest long jumping exhibition in IC4A history. Bob Calhoun won the event with a new meet record effort of 26'3" followed in second by Dennis Ivory, also over 26'. Ian Pyka defended his previous outdoor championship with a 60'9¼" effort in the Shot Put.

The hurdlers were fit for the occasion as well. as Greg "Fly" Robertson easily defended his intermediate title and Renaldo Nehemiah won the High Hurdles. In addition to his crown, "Skeets" also won the 100 in a remarkable 10.12 effort, and joining teammates in two relays, the Terps placed second in both the 440 and 1600 Meter Relays. Brian Melly cleared 7'1¾" in the High Jump, providing additional second place points. However, when the last event was concluded, the 1600 Meter Relay, despite a new school record by the Terps at 3:07.5, Villanova escaped with a one point win over the Terps, 99 to 98, in one of the IC4A's greatest duals in championship history.

Eugene, Oregon, the track capital of the United States, played host to the 1978 NCAA Outdoor Championships. Resolved to make their goal of national respectability a reality, the Terps sent the finest squad of competitors ever to a national championship. Brian Melly, expected to score but not among the top entrants, narrowly lost the event, but by clearing 7'2" was awarded second place and All American honors. The 440 Relay quartet of Bob Calhoun, Greg Robertson, Andre Lancaster and Renaldo Nehemiah, despite a poor first exchange, captured fifth

place in the final with a 39.8 clocking. A severly hit fifth hurdle and the resultant stumble kept Greg "Fly" Robertson out of the hurdle final, but his teammate, "Skeets" Nehemiah, posted his fastest time ever, 13.27 to narrowly lose the race on a lean by UCLA's Greg Foster. Nehemiah's time was the fourth fastest time in history, and set the stage for Renaldo's total domination of Foster the next weekend at the National AAU Championships as well as during the European tour. Bob Calhoun, jumping as never before, leaped 26'5" in the Long Jump, a personal best and school record and was awarded third place in the event. Ian Pyka, the smallest man in the Shot Put finals, threw a very respectable 62'6¾" for sixth place and an All American certificate. But as impressive as their individual efforts were, the team effort was the most rewarding. The team scored a total of 25 and placed ninth in the team championship, the best overall team performance in Maryland history. The Terps, as a team, indoors and outdoors, had taken that additional step, and now were national class.

In conclusion, although the collegiate season ended in Oregon, Maryland collegians proceeded throughout the summer to garner new laurels. Bob Calhoun placed third in the AAU Championships, and went on to place second in the USA-USSR Dual Meet, scoring crucial points which allowed his country to defeat the Soviets. Dennis Ivory leaped 53'10" in the National AAU Championships, for fourth place, and was invited to the U.S. training session in Colorado. Renaldo Nehemiah won the AAU Championships destroying arch rival Greg Foster, and throughout his European trip defeated Foster with regularity. Five times the sensational freshman sprinted under 13.30 for his hurdle specialty. In his first meeting with the world record holder, Alejandro Cassanas, Renaldo annihilated the Cuban, forcing the champion to drop out after seven hurdles. Repeatedly he beat all the outstanding hurdlers in the world, losing only once, and posting eleven of the top thirteen performances in the world. In Zurich, on a wet track, Skeets clocked an astounding 13.23, third fastest time in history, and just two one-hundredths off the world record. Only the rain had stopped the Scotch Plains hurdler from establishing a new world record. Maryland's other world class hurdler, Greg "Fly" Robertson was named to a U.S. Squad touring Europe, but an automobile accident resulted in a fractured foot and an early return to the States. Ian Pyka, always yielding 30 pounds in weight to his shot put rivals, threw 62 feet in the AAU meet, and he too was awarded a spot at the Olympic training center in Colorado.

1978 was the finest year ever for Maryland track, on both an individual as well as team level. This year promises to be even more outstanding.
